

CREATE A CRAZY CREATURE WITH THIS FUN DRAWING GAME (Chapter Seven)

This is a favourite activity with my students and helps to get the creative thinking process started without the challenge of a blank page, which can be intimidating for some

Create a crazy creature with this fun game

HOW TO PLAY

- Fold the paper at the arrows so that you can see only one section at a time. ▶
- Create the head then flip over the paper and pass it to another person, who will draw the body. **Be sure not to let them see your drawing.**
- Start and finish at the guidelines. ▶
- Flip the paper again and pass it on for someone to draw the legs.
- When all the sections are done, open the page to see what kind of wacky creature you created.
